COUNTY SUPERVISORS

The board of supervisors met in regular session Monday, July 9th.

Roy W. Cloud, superintendent of schools, appeared before the board again and asked the members to take favorable action on the petition he had presented at the last meeting calling for the re-establishments of the Alpine and Fairview school districts.

On motion of MacBain, seconded by Francis, both the above districts were ordered re-established.

Judge Edw. F. Fitzpatrick of Redwood City appeared before the board in the matter of the application for a liquor license of F. W. Walters, whose place, the Valley Inn, at Portola, had been closed for three months on account of complaints having been registered against it. The three months have since expired and Walters is desirous of re-opening the saloon .

Attorney James T. O'Keefe of Redwood, representing Mrs. Kelly, the owner of the saloon property, addressed the board and stated that Mrs. Kelly was opposed to the re-issuing of the license, she claiming that the place had not been conducted properly.

On motion of MacBain, seconded by Francis, it was decided to postpone action in the matter until the next meeting of the board, Monday, July 16th.

On the recommendation of County Surveyor Neuman, the Federal Construction Company was granted an extension of twenty days in which to complete its contract for the construction of the highway on El Camino Real in front of Wellesley Park in Redwood City.

County Engineer Neuman was empowered, on motion of MacBain, seconded by Hickey, to relieve the situation regarding a certain depression in the State highway near the Beeger tannery in Redwood City.

On the recommendation of Surveyor Neuman, and on motion of Brown, seconded by Francis, the contract of P. H. McEvoy for the construction of a part of the "Skyline" Boulevard leading from the Halfmoon Bay-San Mateo road south, was ordered accepted.

On motion of Brown, seconded by MacBain, Clerk Nash was directed to advertise for bids for a concrete culvert across Cascade creek, near the Steele place in the Fifth township, plans and specifications for same having been heretofore presented.

The clerk was also directed to advertise for bids, on motion of Brown, seconded by MacBain, for grading the next portion of the "Skyline" boulevard, according to the plans and specifications prepared by Engineer Neuman.

Surveyor Neuman reported that he had made a settlement with Lorenzo Musso in the sum of $50 for the damage done the property of the latter in the construction of the Colma to Halfmoon Bay road in the Fourth township. The action of the surveyor was ratified by the board, on motion of Brown, seconded by Francis.

County Surveyor Neuman addressed the board relative to the insurance that had been ordered at the last meeting of the board for the automobile owned by the county. He submitted figures from a local insurance agency for the insuring of the car used by his office and which he claimed were lower than the figures obtained by Clerk Nash, who had been directed to take care of the matter and arrange for the writing of the policies.

The board dicided, on motion of MacBain, seconded by Hickey ,to lay the question over until the next regular meeting of the board, July 16.

A communication was read from Dr. W. G. Beattie, in which he tendered his resignation as county health officer. The resignation was accepted on motion of MacBain, seconded by Brown, the same to take effect immediately, and on motion of MacBain, seconded by Hickey, Dr. F. H. Smith of San Bruno was appointed by the board to fil lvehtaaccy. neb aimcl board to fill the vacancy.

A communication from County Auditor J. J. Shields, relative to publishing a statistical report showing the financial condition of the county for the fiscal year, was laid over for consideration to the next meeting of the board.

The report of County Auditor J. J. Shields, showing the amount of money that can be drawn against the several funds of the county during the month of July, was received and ordered filed.

Supervisor Brown was granted permission; on motion of Francis, seconded by Brown, to purchase some culvert pipe, the cost of which was not to exceed the sum of $300 for use in his district.

At the request of Supervisor Francis, he was granted permission, on motion of Brown, seconded by Supervisor Hickey, to make certain necessary repairs to a bridge on the highway between the Fourth and the Fifth townships.

G. A. Slack, representing Beadle Brothers, who are engaged in hauling lumber from the Campbell Lumbe rCompany's mill at Pigeon Point over the mountain road of the county, addressed the board and asked that the company be given permission to haul 2500 feet lumber instead of 2000 feet, the amount now allowed in order to come within the weight limit fixed by the county traffic ordinance.

Chairman Thompson stated that he favored granting the permit, as the company's wagons so far had done no damage to th road and he felt that if the permit was not granted it would mean that the company would have to suspend operations. The matter was left in the hands of the chairman, the road in question being in his district, for him to give the necessary permit.

HALFMOON BAY ITEMS

Father Angelo Andriano, for many years the devoted pastor of Our Lady of the Pillar Catholic Church here, has been transferred to Healdsburg, where he will be the pastor of St. John the Baptist church. Rev James Serasio will succeed Father Andiano and will preach his first sermon on Sunday. He is a devoted churchman.

Rev. Fr. Andriano will bid his parishioners a final farewell in one week from today. His pastorate will embrace practically all of Northern Sonoma county and include the flourishing towns of Fulton, Asti, Cloverdale, and Healdsburg ,with headquarters. at the town last named. Rev. Andriano has labored faithfully and earnestly for Half Moon Bay during all the ten years he has been here, and in his unassuming, self effacing way he has done an untold amount of good. Like the gentle sunshine of Spring he made glad the hearts of all with whom he came in contact. He is a scholar and a gentleman—a gentle MAN. Despite the vast difference in our way of looking at things of a religious nature this kindly priest has always attracted us most strangely in accordance with the natural law which makes opposites attract each other. We shall miss that friendly smile and kindly philosophy, and it is with sincere regret that we think of his coming departure.

Mrs. Thomas F. Russell, mother of Mrs. M. F. Moran, died at Milpitas on June 29th last at the age of 79 years. Her death was only eleven days behind that of her husband who passed to the Great Beyond on June 15th. Her death was the result of an attack of pneumonia. The deceased with her husband resided in the vicinity of Milpitas for nearly 50 years.

Prof. H. C. Hall writes from Chico that he would rather be in cool Half Moon Bay just now. It is outrageously hot in the Sacramento valley.

Rev. Father Yorke of San Francisco came down to visit Rev. Andriano last Tuesday, but he was disappointed—the local pastor had not been aware of his confrater's coming and had gone to La Honda.

C. E. Wilcox left last Monday for Colusa county where he has secured employment in a mine. He is going to give the job a tryout and if he should find it to his liking his family will soon follow. John Serpa has taken over his job as section foreman on the Ocean Shore.

Miss Belle Vallejo left last Thursday for San Francisco. On next Monday she and Lenora Lane of Redwood City will start on a trip to San Diego. They will be gone a week or so.

A pleasant day was spent, the time being divided between visits to the beach and entertainment at the home. The annivesary dinner was served late in the afternoon, and Mrs. Weinke, hale and hearty despite her three-score and ten, responded merrily to toasts to her happiness. The birthday cake, upon which were 70 lighted candles, made a pretty picture in a setting of marine decorations.

Herman Albrecht of Millbrae and wife spent a week's vacation motoring through the country. They were accompanied by Mrs. A. Schubert, Mrs. Albrecht's mother. They came home Saturday.

Game Warden John Burke arrested Angelo Funucchi, Frank Pisa and Eugene Collet last Friday for gathering abalones under size. They appeared before Judge Davis on San Bruno during the week. Funucchi pleaded guilty and was sentenced to pay a fine of $20. Collet was found guilty and sentenced to pay a similar fine. Sentence will be passed on Pisca next Tuesday.

CITY OFFICIAL PAPER

Saturday, July 14, 1917.

The people of San Mateo county and the peninsula in general owe a debt of gratitude of Mayor James Rolph of San Francisco for his earnest efforts in bringing the great army camp to this community. It was through his influence and through the efforts of his associates that the camp was made possible in this section of the state. The big camp was slated to go to the American Lake region in Oregon, but Mr. Rolph became acquainted with the fact that it might be brought to this community. He at once communicated with Washington and soon had influential San Francisco citizens wiring the president and the war department. In a few days telling work was done with the result that Washington concluded to locate the camp on the peninsula. It is said Mr. Rolph advanced $100,000 to lease the land for the camp site and other expenditures that had to be met immediately. The mayor is a resident of the county, has its interests at heart and wishes to see it progress. By a recent order of the war department the whole of the big camp made up of 30,000 soldiers will be located in San Mateo county. Thousands will come here from all sections to see the soldiers San Mateo county will receive more advertising than it has ever received before, more homes will be erected in its confines, a bigger population will be created and this whole section will become better known and appreciated by our own people and by those coming here from other sections. We are certainly indebted to Mayor Rolph for all these good things. He has made the ablest and most popular mayor San Francisco has ever had. He has done much for the city that has honored him with its highest position. Still higher honors await him. No man in the state is more popular with the masses and no man has done more for his city and state than James Rolph.

THE BOXING EXHIBITION GIVEN IN REDWOOD

Redwood City broke into the boxing game last Tuesday night, when the Redwood City Athletic Club staged its first show in the Alhambra Theatre, and from the crowd that turned out to witness the exhibition it would seem that the art of self-defense is well liked in Redwood. Before the boys entered the ring for the first bout, the house was well filled, about five hundred people being on hand to witness the show. Business and professional men of Redwood City and nearby towns were well represented at the ringside, while several members of the city council were also on hand. The crowd was an exceptionally enthusiastic one, and made plenty of noise rooting for their favorites.

With one exception the bouts were all well contested. Al. Doyle of Colma was unable to be on hand, and his bout with Jimmie Marcelles was cancelled. The boys from the Association Club, who were substituted for this go, showed an inclination to stall, and were promptly thrown out of the ring by Referee Danny Carroll.

The special event between Al. Anderson and Eddie Rose was a big attraction of the evening. Anderson is a Redwood City boy, while Rose is considered one of the classiest boys of his weight around San Francisco, having a record of sixteen straight victories. Anderson was somewhat slow to get going, and kept his admirers worried for the first two rounds, but by the time the third round was half over, the pride of Redwood was going at top speed, and had the colored boy bewildered. In the middle of the final round Anderson shot his left to Rose's midsection and crossed him with a right to the jaw. Rose dropped flat on his back and was counted out, while the Redwood City rooters almost raised the roof off the building.

Red Stuart of San Mateo and Joe Rose, a brother of Eddie, fought the main event. Both these boys are hard hitters and are well matched. The judges decided the contest a draw, after both boys took some healthy wallops, and both scored knockdowns.

The judges for the evening were E. Ted Thompson of Redwood City, Frank Roach of Menlo Park and Chas. Mason of San Mateo.

Frank Maloney acted as timekeeper, Danny Carroll refereed, and Pete Cronin of San Mateo acted as official announcer.

Thursday afternoon the trustees of Sequoia Union High school held an important meeting at which a large number of the residents of Runnymede, the new chicken territory of San Mateo county and located near Ravenswood, were present, many addressing the board. There are about sixteen high school students at Runnymede who desire to go to the Palo Alto school instead of Redwood City. C. L. Hyde and Mrs. L. Lundy were the principal speakers and in a lengthy argument urged the trustees to grant permits to the pupils to attend the Palo Alto school. They contended that all their business was done in the College town, there they attended church and had their social activities and it would be a hardship to send their children to Redwood City. The board after hearing the respective arguments decided not to grant the request. Those students who are in their senior year will be permitted to graduate at Palo Alto but all others must attend here. It was decided to give free transportation by train to all the pupils in that localiy.

The board granted Professor McCrea permission to engage two student teachers for the fall term, they to only receive actual expenses for their work.

The following was received last week directly from Washington signed by Mr. Wadsworth:

"IMMEDIATE NEEDS OF THE ALLIES."

Based upon recent cable advices from our allies the following supplies are urgently needed and all chapters are asked to ship to the nearest branch warehouse of the Red Cross Supply service, whatever supplies they may have on hand, corresponding to this list, and to "speed up" their work rooms on these particular articles:

350,000 bathrobes or convalescent gowns, 100,000 pairs of bed socks, 700,000 handkerchiefs, 650,000 hospital bed shirts, 300,000 shoulder wraps, 800,000 pairs of socks, 250,000 pairs of ward slippers.

These hospital garments are needed and should be made according to specifications. The production of bandages and surgical dressings however, should not be allowed to fall off on account of this special appeal as cable messages from Paris and Rome ask for constant supply of these, in view of recent heavy fighting and the difficulty of getting raw material abroad. A special effort should be made to have the above articles shipped at the earliest date possible.

The Menlo Park Branch of the America Red Cross, which opened its work rooms at the Flood Cottage on July 1st has its first report to make on its work. The recording of attendance and work was begun on June 13th and up to and including July 6th, 1917, three hundred and fifty persons worked at the rooms. One hundred and eight suits of pajamas and 42 bed wraps have been cut and distributed for making.

Great progress has been recorded in the surgical dressings, one thousand, seven hundred and thirty of these having been made, and many dozen bandages, 3 inch T bandages, triangular and abdominal.

The work is inspected monthly by Miss Julia Hinkle, regular Red Cross nurse from San Francisco, and the work at the rooms is inspected daily by Miss Rutley, a certified Red Cross inspector.

All the work finished goes directly to the Red Cross headquarters and counts for the "honor and glory" of Menlo Park. There is very great need for old linen and muslin and the ladies would very much appreciate any of this sent in. Any one desiring to make pajamas will be furnished with the material ready cut to be made up.

On Monday Mrs. R. D. Girim and Mrs. Timothy Hopkins are in charge of the work.

Tuesdays Mrs. J. A. Donohoe and Mrs. Bernard Breeden. Wedensdays Mrs. H. Fleishhacker and Mrs. E. Heller; Thursdays Mrs. Eli Weil; Fridays, Mrs. Perry Eyre and Mrs. J. O'Kane.

Persons wishing to help in this work will be met by machines at Duff & Doyle's corner on any of the days. Kindly telephone the Flood cottage or the ladies in charge of the day.

GOVERNOR STEPHENS PAID FIRST VISIT TO REDWOOD CITY

Governor W. D. Stephens made many friends in his swing around the circle in San Mateo county during the week. He was greeted with a large crowd in the Sequoia theatre last Monday evening. There the people of Redwood City met him and heard him speak. He delivered a graceful and pleasing address that was enthusiastically cheered. Next morning the governor visited the courthouse ,greeting affectionally all the officers and congratulating the officials for their efficiency. The chief executive then departed accompanied by Senator M. B. Johnson, Assemblyman Frank L. Ekswards and County Clerk Jos. H. Nash, in an automobile for a tour of the coast side of the county. Everywhere he went the governor was greeted with enthusiasm by a patriotic people who delight in honoring their officials. Governor Stephens will long remember his trip to San Mateo county. It was his first tour of this section.

DEATH OF AUGUST BAHLER FORMER REDWOOD RESIDENT

August Bahler, a former resident of Redwood City, passed away at Stockton on Wednesday last. The remains were interred in Cypress Lawn Cemetery yesterday. Many of the friends of the deceased from here attended the funeral. Mr. Bahler was at one time superintendent of the S. H. Frank Tanning Company of this city, a position he held for a number of years with credit to himself and the company. He left here about fifteen years ago to take a position in a large tannery in Benicia. Some time ago he was transferred to Stockton. He was well-known and liked here. For a short time he conducted the Enterprise Bakery on Broadway. Mr. Bahler was a native of Switzerland, aged 60 years. Mr. Bahler was a member of Bay View Lodge I. O. O. F. of this city at the time of his demise. He is survived by a wife and one son, Godfrey, residing with his stepmother at San Anselmo.

QUAIL AN ALLY OF THE FARMER

"The damage done by the quail is inconsiderable—negligible — when compared to the services these birds render to the farm," a bird expert of the University of Oklahoma says. "They prey upon 145 different kinds of destructive insects and consume no less than 129 varieties of noxious weed seeds. They stay on the job 12 months in the year and labor continually when weather conditions permit. I do not believe that the land owners should permit a multitude of so-called sportsmen to destroy this powerful ally of the farmer."

SPRINGING UP OF A NEW MENLO PARK

Unexpected Commercial Activity Thrust Upon the Village and Property Changing Hands

Menlo Park has awakened from a Rip Van Winkle sleep of years to see a military camp established in its midst which means that a city of 30,000 or 40,000 inhabitants will soon be realized by the old inhabitants who never dreamed of such a sudden change. From a sleepy village Menlo Park is soon to be a bustling, busy city, the most thriving municipality on the peninsula. Already it has taken on a military air, business is feeling the effects, new enterprises are being started, and the demand for stores and quarters on the principal streets is tremendous. The Maloney, O'Keefe, Coxin blocks have been leased for long periods. Agents are seeking moving picture sites, and if the rumors are to be believed no less than three will be put up within the next month. A few sales of property have been reported. The largest sale made in Menlo Park for many years was consummated yesterday when James G. Mason sold his four acre tract fronting on the highway and opposite the Johnson tract to Charles A. Merrill, who resides there and is a member of the firm of Holbrook, Merrill, Stetson and Company of San Francisco. It is said that close on $20,000 was paid for the choice realty. Mr. Mason purchased the property from the Mark Hopkins estate over fifteen years ago. Mr. Merrill will at once commence the erection of several large buildings on the block which will be for rent. Portions of the land will be subdivided and sold.

Owing to the poor drainage of the Mayfield and Palo Alto sites the government last Friday decided to come to Menlo Park where the sanitary conditions are perfect.

The camp is to be known as Camp Menlo Park. Major James Pourie and Commanding Officer Smith are here and have taken the Freeman place formerly the Edgar Humphrey home in the Johnson tract. This will be the main office for the camp. The camp reservation will extend from the San Francisquito creek along the highway to Allejandra avenue at Warren's school and extend back to the foothills taking in all the territory in that boundary . This territory includes the Stanford holdings, the Spring Valley lands and other large tracts.

A switch and spur track will be constructed from the main Southern Pacific track below the warehouse to connect with the camp reservation. It will consist of eight miles of tracking. Large warehouses suitable for camp purposes are to be erected by the government at once along the tracking. Those living in the restricted district will have to move away. Among those being C. Maloney, M. F. Duff, John P. Burke, Lloyd Douglass and many others. A good water supply will be furnished the camp by the Spring Valley Water Company's wells on the bay at Ravenswood. The Bear Gulch Water Company will also lay its mains in the tract.

On Saturday, Company Four, Coast Artillery and Company Nine arrived to assist the engineer corps which arrived from Sacramento on Monday, to lay out the camp. The main body of the National Guard, who will come here to train will arrive about August 15th. The six hundred soldiers on the ground are working eight hours a day to get the camp ready for that time and are progressing rapidly. All maneuvering will be done by the soldiers on the foothills, where target practice will also take place . The officers say that there is no place in the country better adapted for such work.

Officers are seeking homes for their families and it is reported many places have been rented to them. The MacBain house adjoining his residenle has been leased.

There was a report at Menlo Park yesterday that steps are being taken to incorporate the town, however, this could not be traced to any reliable source.

Joseph Larkin, the Palo Alto caterer, has leased the San Francisquito cottage and will open it as a restaurant. The building is on the highway and just opposite the reservation. It is an ideal location for an eating house. Mr. Larkin is one of the most enterprising business men on the peninsula and is sure to make a success of his new enterprise.

Menlo Park for some time to come will be the mecca for the travel-stained soldier, the fond parent and army officers from all over the country, to see the new camp. All eyes will be focused on Menlo Park. No place will be more talked of. This beautiful section of the state is certain to come into its own.

Now that interest in aviation is at its height the daily passenger-carrying aeroplane flights by Harry Christofferson of the California Aviation Corps, from the grounds of The Peninsula Hotel, San Mateo, to the flying field in San Carlos are attracting unusual attention. Many guests of the hotel are indulging themselves in the thrills of the air, Miss Emma Littlejohn being one of the first of the fair sex to grasp the opportunity to view terra firma from a distance.

ARRESTED ON SERIOUS CHARGE

The latest and most diabolical plot to destroy human lives was shown up last week, when a traveling fakir peddling on innocent looking court plaster, was arrested over at Henderson. When searched at the police station over $1000 in currency was found on his person and this made the officers more suspicious than at first and it was decided to fully investigate, and a sample of his "court plaster" was sent to a chemist in Council Bluffs and when analyzed was found to contain large quantities of leprosy germs the most malignant and incurable disease in the world. The aforesaid peddler was a German and hardly able to speak the English language and appeared indifferent as to the consequences when found out. Just what will be done with him is not yet made public, but hanging or even burning at the stake is too good for a dirty skunk that would seek to spread the greatest of all pestilence throughout the land. This should be another warning to all people to beware of peddlers, for you never can tell what you are liable to be up against.—Conway Record.

Surprising her at her bungalow at Moss Beach on the morning of June 29th, 22 friends of Mrs. J. F. Wienke, mother of Mrs. Joseph H Nash of Redwood City, tendered her a reception, the occasion being the anniversary of her 70th birthday.

Today—tires cost less than ever

Your tires actually cost you less per mile today than they did a few years ago,

—*provided* you buy the right kind of tires.

In the first place, don't buy a nondescript tire that some dealer has a selfish price motive in selling to you.

Buy a tire with a name behind it—a tire, the quality of which must be so good that the reputation of a great Company is protected.

United States Tires, with the name of the largest rubber manufacturer in the world behind them, are safe tires to buy.

United States Tires are constructed under an exclusive time-tried vulcanizing process that is patented.

They are honestly built with the best materials that the markets of the world afford.
